Letter—from M.R.Ry. Rao Bahadur L. D. VENKATARAMA AYYAR Avargal, B.A. B.C.E., Officiating Superintending Engineer, III Circle.
To—the Chief Engineer for Irrigation.
Dated—Bellary, the 14/20th July 1914.
No.—6120.

Referring to G.O. No. 72 I., dated the 11th February 1914, I have the honour to forward herewith a statement of advances outstanding at the end of May last, from the labourers employed on the Venkatapuram Tank Project works, Kurnool division.

2. There are about 20 items of Rs. 25 and above, and 29 other items of Rs. 10 and above, which have not been operated on in the current quarter, and the Executive Engineer has been informed that non-recovery in these cases is unsatisfactory and also that the percentage of amount recovered during the quarter under review is also poor. As the sanction for these advances will expire by the 10th August next, the Executive Engineer has been instructed to take special steps for the recovery of all these items outstanding at present before the expiry of the current sanction.

ENCLOSURES.

(1)

Letter—from M.R.Ry. M. R. NATESA AYYAR Avargal, Sub-Divisional officer, Head-quarters Sub-division.
To—the Executive Engineer, Kurnool division.
Dated—the 13th June 1914.
No.—400/123 B.

With reference to your No. 2042–S/123 B, dated the 8th June 1914, I have the honour to submit herewith a statement showing the recoveries made during the quarter ending May 1914, towards the advances paid to the workmen on the Venkatapuram tank project, Kurnool division.

2. It will be seen that no recovery has been made from a number of men. The dues from some of them are so trifling that they are not purposely recovered with a view to have proper hold on them till the end of the ensuing quarter. Against some others the balance will be adjusted in the final bills which are under submission.

3. A further advance of Rs. 258 had to be made to the revetment Maharattas as their services could not be had without this advance since the railway contractor from Hyderabad was about to take them away by advancing more money and the services of these men were indispensable in the interest of the work.

2. The further advance of Rs. 258 paid during the quarter ending May 1914, should not have been made without the previous sanction of Government. In this connection the attention of the Executive Engineer, Kurnool division, should be drawn to paragraph 3 of his letter No. 1822/402 S.E., dated 7th December 1913, in which he stated that "no advances are being made from September 1913 and none will be made hereafter."

NOTES CONNECTED WITH G.O. No. 405 I., DATED 20TH AUGUST 1914.

[SUBJECT.—*Recovery of advances made to labourers on the Venkatapuram Project, Kurnool district, during the quarter ending 31st May 1914.*]

From the Superintending Engineer, III Circle, dated 20th July 1914, No. 6120.

Under Secretary—
Joint Secretary—

Submitted.

2. From the statement received with the Superintending Engineer's letter read above, it will be seen that out of a sum of Rs. 2,742–11–8 outstanding at the end of February 1914, a sum of only Rs. 576–8–0 or about 21 per cent. has been recovered during the quarter ending 31st May 1914 The recovery seems to be very slow as compared with the last quarter, when it amounted to about 34 per cent. of the amount then outstanding. In his No. 3121, dated 2nd April 1914 the Superintending Engineer observed that the fact that over 33 per cent. of the amount outstanding at end of November 1913 had been recovered during the quarter ending February 1914 would seem to indicate that it would be possible to recover the full amount during the remaining two quarters. With regard to the slow recoveries during the quarter under review it appears that the Superintending Engineer has instructed the Executive Engineer to take special steps for the recovery of the outstandings before the date of expiry of the present sanction, *i.e.*, before the 10th August 1914.

Page 2 of G.O. No. 184 I., dated 21st April 1914.

Paragraph 2 of Superintending Engineer's letter.

3. It is noticed that during the period under review fresh advances amounting to Rs. 258–0–0 have been made to the workmen. The necessity for this is explained in pargraph 3 of letter No. 400/123 B., dated 13th June 1914, from the Sub-Divisional Officer to the Executive Engineer. The advance made may, in the circumstances referred to therein, be approved.

4. A draft order recording the report is submitted for approval. It may be sent to Financial for acceptance before issue.

Attention is solicited to G.O. No. 72 I., dated 11th February 1914 and the notes thereto. Of the total amount advanced, *viz.*, Rs. 4,140–13–2, the recoveries made in the quarters ending February 1914 and May 1914 aggregate Rs. 1,974–9–6, leaving a balance of Rs. 2,166–3–8. In the quarter under review, the Sub-Divisional Officer has granted a further advance of Rs. 258 under the special circumstances referred to in paragraph 3 of his letter, dated 13th June 1914. Thus, the total amount outstanding at the end of May was Rs. 2,424–3–8.

The period fixed for the recovery of the entire advances is six months from 11th February 1914 (the date of G.O. No. 72 I., dated 11th February 1914) and that period expired on 10th August 1914. It is not known whether the whole amount has been recovered by this time.

2 As regards the advance of Rs. 258 referred to at **A** on page 1*ante*, it is submitted that, though the necessity therefor was urgent, the Sub-Divisional Officer should have obtained the sanction of Government by telegram. He does not seem to have even intimated to the Superintending Engineer beforehand. Please see in this connexion paragraph 2 of G.O. No. 72 I., dated 11th February 1914. It is for orders whether similar observation should not be made in the present draft order.
